STEM Award

We were delighted to once again receive our STEM Award for this year. A big thank you to Mrs Rilla Kelly our STEM Coordinator, for her work in submitting our application. The judges were very impressed with our book of evidence. Here are some of their comments:

"Well done to everybody in Kilkerry NS. You have done a mighty year's work under very challenging conditions. Your participation and activities during Space Week are very impressive. The pupils obviously got a lot from it. Your investigation with the shadows and mapping the position of the sun is excellent. Congrats to all the pupils, teachers and parents on your Plaque award. Keep up the good work."
